Labors of Love – Rev. Bryan Jessup

In honor of Labor Day, Rev. Bryan Jessup will lead a service celebrating the gifts we all bring to the world and the challenge to create a world where all gifts are honored.

Sunday, Sept. 10 – 10 a.m.

Gathering of the Waters — Berti Welty, Therese Fitzmaurice and Bryan Jessup

We warmly invite you to participate in our annual fall ingathering. In this intergenerational service, we will contemplate and name what watered and nurtured our spirits this past summer. As we raise our voices in song, individuals and families will fill our community well with their personal offerings. You may bring water from a personally significant source or use the vessel available at the service. It is our intention to hold space for voices of all ages to joyfully celebrate our conscious choice to gather together in community. Afterward, join us for a potluck picnic. You may drop off your culinary delight in the kitchen prior to the service.

Sunday, Sept. 17 – 9 and 11 a.m.

Who Are We Now And Why Are We Here? – Rev. Bryan Jessup

The Operational Purpose of the Humboldt Unitarian Universalist Fellowship was created by the board last June. It spells out what the mission of the Fellowship is within each of us, among us as a beloved community, and beyond our walls in the world around us. In this service we will explore what the Purpose calls us to do. A Social Action potluck and a workshop on dismantling racism will follow.

Sunday, Sept. 24 – 9 and 11 a.m.

The Sacred Feminine – Pat McCutcheon

Contemporary men and women have long forgotten that millennia ago, the Sacred Feminine was considered and celebrated as part of all of us. “Cakes for the Queen of Heaven” is a curriculum designed to explore this important history. Members of the Fellowship will share their prior experience of raised consciousness gained from participating in this study and will discuss what it has meant to them. There has been great interest in this particular Sacred Feminine curriculum, so we will be offering it again this fall.
